

Compensation Estimate for Surrogacy

Modernly Ever After. Surrogacy Estimate Only. Compensation may change depending upon your specific circumstance. Experienced Surrogates receive additional compensation fee per successful delivery.

Surrogate Base Compensation (-\$5k outside California)

\$50,000 - \$85,000+

Surrogate base compensation is based on surrogate's location and experience.

Surrogate Twin Compensation

\$5,500

If Surrogate has successful transfer of two embryo's, this fee will apply.

Monthly Allowance (\$250 per month, for 12 months)

\$3,000

Each month surrogate will receive monthly allowance of \$250, this will cover food, transportation to and from appointments.

Medication Start Fee

\$500

Surrogate has begun medication start to prep for embryo transfer. Medication regimen may differ for each surrogate. Please speak with your IVF Clinic for specifics.

Mock Transfer Fee

\$200

Some IVF Clinics will ask the surrogate to complete a Mock Transfer to prep for embryo transfer.

Embryo Transfer Fee

\$750

Surrogate has completed embryo transfer administered by your IVF Doctor.

Maternity Clothing

\$800

Once Surrogate has had a successful transfer and proof of pregnancy, she is to receive this allowance.
